Barre Blend: Using the ballet barre, you will strengthen, lengthen and tone your body with isometrical movements. Your total body workout will also include pilates and mat work.
Beginner Yoga: This introductory class will focus on the fundamentals of breath, poses and movements resulting in increased strength, flexibility and balance. This class is for those completely new to yoga, have been away from practice or desire a basic yoga class.
Silver Chair Yoga: This class will increase your breath capacity, body flexibility and strength through gentle yoga poses and stretches.
Silver Strength: Designed for our older, active exercisers, this class focuses on toning muscles to prevent injury and improving strength, bone density, balance and overall well-being.
Silver Stretch & Yoga: This class focuses on yoga stretches and strength. Light weights may be used. Enjoy the relaxation achieved through yoga poses while increasing stamina and strength. 30 minute class.
Slow Burn Yoga: Slower progressive sequences to longer holding postures will bring your entire body and mind into balance in this intense, yet calming class.
Strength & Endurance: Blast calories and improve your strength and total fitness through cardio and TRX circuits as well as challenging mat work.
Total Conditioning: Tone up and increase strength and flexibility in this resistance training class. Perfect for the adult who is looking for an intermediate strength training workout.
TRX & Silver TRX: An incredibly effective total body conditioning and toning class, the TRX Suspension Trainer provides a workout that leverages gravity and your bodyweight. Adjust your body position to add or decrease resistance.
Yoga for Healthy Hips & Backs: Improve your overall health and well-being with yoga poses and stretches targeting the back and hips.
