

### **Baseball/Softball Field Rental Covid-19 Protocol**

All coaches, players, and spectators must conduct daily COVID symptom assessments (self-evaluation), prior to arrival at field. Anyone experiencing symptoms must STAY HOME.

All players, coaches, and spectators must adhere to physical six-foot social distancing when not on the field of play. This includes when they are on team benches or in dugouts.

It is recommended that coaches wear face coverings at all times.

It is recommended that players wear face coverings at all times while not actively participating on the field of play.

It is recommended that spectators wear face coverings at all times.

Spectators must not enter playing area.

It is recommended that groups bring hand sanitizer for participants to use and sanitizing wipes to wipe down equipment.

Players and coaches must not share water or equipment. Athletes should bring individual water containers. Belongings should only be used by the individual owner or operator including, but not limited to, water bottles, gloves, bats, hats, and other on- and off-field gear. Equipment and personal items should have proper separation. If catchers gear is used by multiple players it should be cleaned between uses.

No-touch rule: players and coaches should refrain from high fives, handshake lines, and other physical contact with teammates and coaches.

Coaches should divide players into groups and maintain rotating shifts for practices and pre-game drills & warm ups whenever possible.

Pre and post practice/game meetings should kept to a minimum, with proper social distancing maintained and face coverings worn.

Spitting, eating seeds, chewing gum, or other similar products is prohibited.

Individuals should not congregate in common areas or parking lot prior to and following the rental.

Coaches must ensure that players are following COVID-19 related prevention measures.
