<b>Barre Blend:</b> Using the ballet barre, you will strengthen, lengthen and tone your body with isometrical movements. Your total body workout may also include pilates, mat work and TRX.
<b>Beginner Tai Chi:</b> Learn the fundamental movements of Tai Chi to improve your memory, balance, flexibility, reduce stress and increase breathing capacity. Tai Chi is endorsed by the Arthritis Foundation. You are required to pre-register for this class.
<b>Beginner Yoga:</b> This introductory class will focus on the fundamentals of breath, poses and movements resulting in increased strength, flexibility and balance. This class is for those completely new to yoga, have been away from practice or desire a basic yoga class.
<b>Drums Alive!:</b> Experience the joy of music and rhythm with this cardio workout as you drum on a stability ball while moving to a choreographed routine. Powerful for stress-reduction and mental balance. You may sit in a chair or stand. You are required to pre-register for this class. Bring your exercise ball. Base and drumsticks are provided.
<b>Silver Chair Yoga:</b> Through gentle yoga poses and stretches, you will increase your breath capacity, body flexibility and strength.
<b>Silver Fit:</b> This class will help you build core/body strength and flexibility through lite cardio movements, toning exercises, stretches and hand weights.
<b>Silver Strength:</b> Designed for our older, active exercisers, this class focuses on toning muscles to prevent injury and improving strength, bone density, balance and overall well-being.
<b>Silver TRX &amp; Tone:</b> An incredibly effective total body conditioning and toning class, the TRX Suspension Trainer provides a workout that leverages gravity and your bodyweight. Adjust your body position to add/decrease resistance. Stretches and balance included in a varied workout.
<b>Slow Burn Yoga:</b> Slower progressive sequences to longer holding postures will bring your entire body and mind into balance in this intense, yet calming class.
<b>Strength &amp; Endurance:</b> Blast calories and improve your strength and total fitness through cardio and TRX circuits as well as challenging mat work.
<b>Total Conditioning:</b> Tone up and increase strength and flexibility in this resistance training class. Perfect for the adult who is looking for an intermediate strength training workout.
<b>TRX &amp; Conditioning:</b> Increase total body flexibility, promote mobility and stability and develop core strength. Learn basic foundational exercises through easy to follow progressions focusing on technique and conditioning.
<b>Yoga for Healthy Hips &amp; Backs:</b> Improve your overall health and well-being with yoga poses and stretches targeting the back and hips.
